Notice regarding an acquisition of a part of business from Mitsubishi Cable Industries, Ltd.

This is to notify that FALTEC Co., Ltd. reached a conclusion of contract with Mitsubishi Cable Industries, Ltd. (MCI from hereafter) to acquire MCI's business for automobile and motorbike electronic and electric parts as of 30th Jan, 2014.

NOTE

1. Reason for the acquisition

FALTEC Co., Ltd. has been promoting the No.1 product expansion and Only 1 technology creation based on three axes strategy (Customer, Product, and Region) by reinforcing the new products and technologies in order to achieve the mid-term Business Plan.

Recently, as for the electronic electric business which is a focusing field of our No.1 products strategy, we have finalised to acquire the business for automobile and motorbike electronic and electric parts from MCI to aim at reinforcing our global car electronics products development.

Under the environment where smart car market, which utilise IT technologies, is dramatically growing, by fusing MCI's extensive on-vehicle communication and sensor technologies with FALTEC's on-vehicle camera technology, we strive for moving forward with brand new ITS* field.

With this business acquisition, we intend to further extend our business by creating new products which allow the customers' car life safer and more convenient.

ITS*: Abbreviation for Intelligent Transport System
